Verkostnotiz
SOAVE DOC CLASSICO
Expertise, respect for tradition, international outlook. Since 1883 these have been the pillars of our winemaking philosophy. A long history of unwavering passion, continuous innovation and high respect for the terroir, leading to the Bolla winery being recognized as an ambassador of Italian taste all over the world.
VARIETIES
Garganega and Trebbiano di Soave.
PRODUCTION DISTRICT
Vines aged 15-25 years, selected on the hills in the Classico district.
ALTITUDE AND ASPECT
200-300 metres above sea level
TYPE OF SOIL
Soil of volcanic origin with basalt formations, rich in microelements, on steep slopes furrowed by ancient dry stone terracing.
TRAINING SYSTEM
Verona pergola.
HARVEST
Grapes are handpicked from late September to early October, depending on the altitude and

WINEMAKING METHOD
The grapes are crushed and then pressed delicately to ext[illegible]n stainless steel fermentation tanks at controlled temperature. [illegible]. 15 °C so as to preserve the grape aromas and fruit fragrance.
AGEING
The wine spends at least 4 months in stainless steel tanks and is then bottled in spring.
SENSORY PROFILE
A pale straw yellow wine, Bolla Soave Classico offers a fruity aroma and a smooth, refreshing flavour, with pleasant hints of pear, melon and ripe apple. The finish is long and lingering.
RECOMMENDED CELLARING
2 years in bottle laid down horizontally in a dark place, at the right temperature and humidity.
FOOD PAIRING
A wine with personality, ideal modern cuisine, creative salads and sushi. Very fresh with appetizers, equally delicious with vegetable and pulse soups, fish or white meat.
ALLERGENS: Contains sulphites
